

Church Pickleball Schedule - The Connection Center @ The Rec

All teams will need to be ready to play at scheduled times. There will be a "5 minute" warm up before your match starts.

(No availability to practice before league. If you want to practice look at The Rec calander of activities and play accordinly.) Also, have your designated doubles knowing which court they will be playing on. Your best double partners will play on court 2, your second best should be on court 4, your third will be on court 3, and your 4th group will be on court 1. You can sub players after each game but NOT in the middle of a game unless caused by injury.

There are a total of 4 points per matchup available. Each of the four courts is worth 1 pt to the winner of the best two out of three games, which constitutes a match.

Normal pickleball rules will apply according to the updated 2025 rules and changes. (All questions or interperatations will be finalized by Jeff Martin)
